

INVITATION

CROs play an important role for clinical trials in Norway.

In order to further strengthen the collaboration between CROs and the Norwegian hospitals, we would like to invite you to a meeting to inform about possibilities and advantages, and to discuss how we can best work together to increase the number of clinical trials.

Time	14 March 2024, 11:00-16:00
Venue	Oslo (TBD) – open for both physical and digital attendance
Attendees	Employees in CROs working within the field of clinical trials
Organizers	Inven2 and NorTrials , in close collaboration with the CROs

REGISTRATION

If you want to attend physically, please register **within 1 March 2024**.

If you want to attend digitally, please register within 14 March 2024.

Registration survey: <https://response.questback.com/oushf/r7dggihu64>

No registration fee.
